	<u>Enhance Health</u> Helps provide medical rehabilitation services (physical, occupational speech, etc.) to adults with special needs supporting their individual goals in cognitive, social, emotional, communicative, and physical development.	<u>Enrich Lives</u> Helps provide adults with special needs activities like dances, art classes, yoga, community trips, fitness classes, and workplace readiness programs that keep them active and engaged. These activities give them the freedom to make their own choices and have access to the same opportunities as everyone else.	<u>Improve Mobility</u> Helps provide mobility impaired special needs adults with the equipment and services they need to improve their overall quality of life.	<u>Promote Independent Living</u> Helps provide maintenance and upkeep for our 17 community residences. These beautiful homes promote independent living and have positive impacts on resident's quality of life, including increased socialization and safety. It also gives families peace of mind, knowing there is someone to care for their loved one when they cannot.
